ETCHED NON-STICK COLLECTION

430SS + Al + 304SS Etched surface treatment

ESQUISITELY CRAFTED, METICULOUSLY REFINED

Using the latest technology to carefully craft the product, we've ensured that every inch follows our perfection, efficiency and above.

SCRATCH PROOF, LIMITS FREE

The advantage of stainless steel frypan and non-stick coating is combined together in this smart design. The raised stainless steel hexagonal shaped web prevents the non-stick coating from scratching, which makes the product more durable and enjoyable.
